SCHOLARSHIPS

Eligible families can take advantage of **Step Up for Students, and AAA** scholarships. Please note that the amount awarded is not necessarily the amount that is indicated in your letter, and is dependent on when your application is submitted, and various factors that we cannot determine in advance. We will not know the actual amount that you will be awarded until school starts (for Step Up), and when we receive our first payment (for Family Empowerment). **Please be aware that the scholarship doesn't always cover 100%. It is important that you note that you are responsible for any charges that your scholarship does not cover.**
